Ultra High Picture Quality

The UHD 4K ultra high resolution produces sharper text and crisper details. It easily handles any indoor lighting challenges with 700 nits while the extraordinary 4,000:1 contrast ratio generates vivid, brilliant images, making your message and pictures even more attractive.

Hassle-Free Content Management and Deployment

Complete with embedded Android operating system, the content management of AUO UHD Super Slim Signage is easy and convenient via WiFi or LAN. With USB plug-and-play function, it allows content files to be deployed in seconds. A built-in central IR remote control is available for simple operation.

Vivid Slimline Enhances the Space

This super slim, stylish display is a scant 25mm in depth and can dress up commercial interiors without compromising the functionality. Featuring a zero-gap wall mount that is included for quick and simple installation, the UHD Super Slim is perfect for ADA concerns and space conscious installation.

Zero-Gap Wall Mount
